

HULL LOWER SCHOOL
Memphis Leaders

The mission of MUS includes cultivating service and leadership. In addition to curriculum, special events have been designed to make MUS students (1) aware of their strengths, talents and gifts, (2) connect with MUS alumni, and (3) live deliberately for the betterment of their school and community. MUS helps mold students into servant leaders equipped with the mindset, knowledge and skills to make a positive difference in our community, both now and in the future.
